17pc Standard Length Combo Wrench set, SAE

V8's value leader. 17 of the most often used sizes, including the newly popular 1-3/16". V8 quality at a very affordable price. Lifetime warranty. Canvas pouch.

sizes: (1/4", 5/16", 3/8", 7/16", 1/2", 9/16", 5/8", 11/16", 3/4", 13/16", 7/8", 15/16", 1", 1-1/16", 1-1/8", **1-3/16"**, 1-1/4")

9317

17pc Metric Standard Length Combo Wrench set

V8's value leader. 17 common metric sizes. V8 quality at a very affordable price. Full polished in canvas pouch. Lifetime warranty.

sizes: (8mm, 9mm, 10mm, 11mm, 12mm, 13mm, 14mm, 15mm, 16mm, 17mm, 18mm, 19mm, 20mm, 21mm, 22mm, 23mm, 24mm)

9411

11pc Combo Wrench set, SAE

V8 long-pattern wrenches are made long and heavy for leverage, reach, & extreme strength. Fully polished, in a canvas pouch, Lifetime warranty.

sizes: (1/4", 5/16", 3/8", 7/16", 1/2", 9/16", 5/8", 11/16", 3/4", 13/16", 7/8")

9415

15pc Combo Wrench set, SAE

V8 long-pattern wrenches are made of drop forged steel. Long and heavy for reach and extreme strength. Add the newly popular 1-3/16". Canvas pouch, lifetime warranty.

sizes: (3/8", 7/16", 1/2", 9/16", 5/8", 11/16", 3/4", 13/16", 7/8", 15/16", 1", 1-1/16", 1-1/8", **1-3/16"**, 1-1/4")

9414

14pc Combo Wrench set, SAE

V8 long-pattern wrenches are made long and heavy for leverage, reach, & extreme strength. Canvas pouch lifetime warranty.

sizes: (3/8", 7/16", 1/2", 9/16", 5/8", 11/16", 3/4", 13/16", 7/8", 15/16", 1", 1-1/16", 1-1/8", 1-1/4")

9404

4pc Jumbo Combo Wrench set, SAE

V8 long-pattern wrenches are made long and heavy for good reach and extreme strength. Fully polished. Lifetime warranty.

sizes: (1-5/16", 1-3/8", 1-7/16", 1-1/2")

9111

11pc Long Pattern Metric Combo Wrench set

V8 long-pattern wrenches are made long and heavy for good leverage, reach, and extreme strength. Polished, in canvas pouch, lifetime warranty.

sizes: (10mm, 11mm, 12mm, 13mm, 14mm, 15mm, 16mm, 17mm, 18mm, 19mm, 20mm)

9109

9pc Long Pattern Metric Combo Wrench set

V8 long-pattern wrenches are made long and heavy for good reach, leverage, and extreme strength. Fully polished. Canvas pouch. Lifetime warranty.

sizes: (21mm, 22mm, 23mm, 24mm, 25mm, 26mm, 27mm, 28mm, 29mm)

9105

Jumbo Combo Wrench set (Metric)

V8 long-pattern wrenches are made long and heavy for leverage, reach, and extreme strength. Full polished. Lifetime warranty

sizes: (30mm, 32mm, 34mm, 35mm, 36mm)

214

14pc Angle Head Wrench Set

The angle wrenches in this set have 30 and 60 degree angles. Allow these wrenches to be used in 4 different positions. A shorter design ensures ease of use in tight places. Our wrenches are made of drop forged steel, fully polished and all come with a lifetime guarantee. In a strong canvas pouch.

sizes: (3/8", 7/16", 1/2", 9/16", 5/8", 11/16", 3/4", 13/16", 7/8", 15/16", 1", 1-1/16", 1-1/8", 1-1/4")

816

16pc Angle Head Wrench Set

Our 30° and 60° angles allow these wrenches to be used in 4 different positions. Made of drop forged steel, fully polished. Lifetime warranty. In a strong Canvas pouch.

sizes:
(8mm,9mm,10mm,11mm,12mm,13mm,14mm,15mm,16mm, 17mm,18mm,19mm,20mm,21mm,22mm,23mm)

9810

10pc Jumbo Angle Wrench set, SAE

15 and 60 degree angles that are favored by the industrial market. They are also shorter for use in confined spaces. Drop forged and fully polished. In two separated canvas pouches. Lifetime warranty.

sizes: (1-5/16",1-3/8",1-7/16",1-1/2",1-5/8", 1-11/16",1-3/4",1-13/16",1-7/8",2")

819

9pc Jumbo Metric Angle Head Wrench Set

Our 30 and 60 degree angles allow these wrenches to be used in 4 different positions. Our V8 wrenches are made of drop forged alloy steel, fully polished and all come with a lifetime guarantee. In a canvas pouch.

sizes: (24mm, 25mm, 26mm, 27mm, 28mm, 29mm, 30mm, 31mm, 32mm,)

8007

7pc Super Long Zero Degree Offset Box Wrench Set, SAE

Our super-Long box-end wrenches are almost twice the length of a standard wrench, resulting in greater leverage, reach and control. Drop forged, fully polished. Lifetime warranty

sizes:(1/4" x 5/16", 3/8" x 7/16", 1/2" x 9/16", 5/8" x 3/4", 11/16" x 13/16", 7/8" x 15/16", 1 x 1-1/16")

8307

7pc Super Thin Wrench set, SAE

About 1/3 the thickness of your regular wrenches. Increasingly popular in many fields. High strength alloy steel does not flex. In a canvas pouch. Lifetime warranty.

sizes: (3/8" x 7/16", 1/2" x 9/16", 5/8" x 11/16", 3/4" x 13/16", 7/8" x 15/16", 1" x 1-1/16", 1-1/8" x 1-1/4")

8308

8pc Super Thin Wrench set, SAE

About 1/3 the thickness of your regular wrenches. Increasingly popular in many fields. Made of high strength alloy steel. They do not flex under stress. In a canvas pouch. Lifetime warranty.

sizes: (3/8" x 7/16", 1/2" x 9/16", 5/8" x 11/16", 3/4" x 13/16", 7/8" x 15/16", 1" x 1-1/16", 1-1/8" x 1-1/4", 1-3/16" x 1-5/16")

8109

9pc Metric Super Thin Wrench set

About 1/3 the thickness of your regular wrenches. Increasingly popular in many fields, auto, aviation, industrial, medical, etc. Made of polished high strength alloy steel. The jaws do not flex under stress. Lifetime warranty.

sizes: (8mm x 9mm, 10mm x 11mm, 12mm x 13mm, 14mm x 15mm, 16mm x 17mm, 18mm x 19mm, 20mm x 21mm, 24mm x 27mm, 30mm x 32mm)

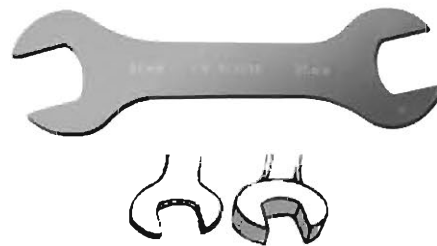

813536

35mm x 36mm Super Thin Wrench, (single)

Specifically designed thinner than regular wrenches for use on thin nuts.

sizes: (35mmx36mm)

9212

12pc Jumbo Service Wrench set

Thin jaws with a short handle. . Popular in the trucking and industrial market. Auto mechanics also find many uses on new cars with limited working space. Drop forged alloy steel. Fully polished. In a canvas pouch. Lifetime warranty.

sizes: (1-11/16", 1-3/4", 1-13/16", 1-7/8", 1-15/16", 2", 2-1/8", 2-1/4", 2-3/8", 2-1/2", 2-9/16", 2-5/8")

9215

15pc Service Wrench set, SAE

Thin jaws with a short handle. Popular in the trucking and industrial market. Auto mechanics also find many uses on new cars with limited working space. Drop forged alloy steel. Fully polished. In a canvas pouch. Lifetime warranty.

sizes: (3/4", 13/16", 7/8", 15/16", 1", 1-1/16", 1-1/8", 1-3/16", 1-1/4", 1-5/16", 1-3/8", 1-7/16", 1-1/2", 1-9/16", 1-5/8")

9515

15pc Metric Service Wrench set.

Very thin jaw with a short handle. Traditionally designed with trucks and hydraulics in mind. Increasingly popular with auto mechanics who have to work in limited spaces. Drop forged & fully polished. Lifetime warranty. In a plastic case.

sizes: (20mm, 21mm, 22mm, 23mm, 24mm, 26mm, 27mm, 28mm, 29mm, 30mm, 32mm, 33mm, 34mm, 35mm, 36mm)

710

10pc Stubby Combo Wrench Set

These extra short wrenches are perfectly suited for use in tight spaces. Drop forged steel. Polished. In a plastic tray. Lifetime guarantee.

sizes: (7/16", 1/2", 9/16", 5/8", 11/16", 3/4", 13/16", 7/8", 15/16", 1")

8910

10pc Metric Stubby Combo Wrench Set

These extra short wrenches are perfect for working in confined spaces. Made of drop forged steel. Fully polished in a convenient plastic tray. Lifetime warranty.

sizes: (10mm, 11mm, 12mm, 13mm, 14mm, 15mm, 16mm, 17mm, 18mm, 19mm)

7211

11pc 3/8" Dr. Metric Flarenut Crowfoot Wrench Set

Thick jaws work well on soft fittings. Strong drop forged steel.

sizes: (9mm, 10mm, 11mm, 12mm, 13mm, 14mm, 15mm, 16mm, 17mm, 18mm, 19mm)

7311

11pc 3/8" Dr. SAE Flarenut Crowfoot Wrench Set

Thick jaws work well on soft fittings.
Strong drop forged steel.

sizes: (3/8", 7/16", 1/2", 9/16", 5/8", 11/16",
3/4", 13/16", 7/8", 15/16", 1")

7412

12pc 3/8" dr. crowfoot set. (mm)

Thin jaw design for easy access. Hole in square to hold extension bars securely. Made of drop forged steel. In a nice plastic case. Lifetime warranty.

sizes: : (8mm, 9mm, 10mm, 11mm, 12mm, 13mm,
14mm, 15mm, 16mm, 17mm, 18mm, 19mm)

7711

11pc 3/8" dr. crowfoot set. (sae)

Thin jaw design for ease of use. Hole in square to hold extension bars securely. Made of drop forged steel. In a nice plastic case. Lifetime warranty.

sizes: : (3/8", 7/16", 1/2", 9/16", 5/8", 11/16", 3/4", 13/16",
7/8", 15/16", 1")

7814

14pc 1/2" Dr. Jumbo Crowfoot Wrench Set

Thin jaw design for ease of use, hole in square to hold extension bars securely. Drop forged steel, fully polished. Plastic tray fits easily into your favorite tool box drawer. Lifetime warranty.

Warning: These Crowsfeet are very thin, but made of heavy duty drop-forged steel. Overtorquing may break your extension bar.

sizes: (1-1/16", 1-1/8", 1-3/16", 1-1/4", 1-5/16", 1-3/8", 1-7/16",
1-1/2", 1-5/8", 1-11/16", 1-3/4", 1-3/16", 1-7/8", 2")

7917

17pc 1/2" dr. crowfoot set. (mm)

Thin jaw design for ease of use. Hole in square to hold extension bars securely. Drop-forged steel, polished, in a thin plastic tray fits thin tool box drawers. Lifetime warranty.

Warning: These Crowsfeet are very thin, but made of heavy duty drop-forged steel. Overtorquing may break your extension bar.

sizes: : (20mm, 21mm, 22mm, 23mm, 24mm, 25mm,
26mm, 27mm, 28mm, 30mm, 32mm, 35mm, 36mm,
38mm, 41mm, 42mm, 46mm)

629

Super Thin Adjustable Wrench

Specifications: Jaw and handle thickness: .25" Jaw A Opens: 9/16 to 1-9/16 Jaw B Opens: 1-1/16 to 2-1/16 Length: 9"

Comes with two Quick-Change Jaws. Made of super strong Drop Forged Alloy Steel Pull back on screw to switch or adjust in less than a second!

**manufacturer's suggested list:
\$60.00**

3202

2pc Disconnect Tool for Fuel and A/C lines,

- Strong, light and durable aluminum construction.
- Simple push-on and pull-off action.
- Thin lips slide under tight hose quickly.
- 6 popular sizes cover most cars.
- Color keyed for easy identification.
- Durable and soft powder coating will not scratch tubing.

sizes: (5/16", 3/8")

3262

2pc Offset Disconnect Tool,

Patent#(US6195862B1)

The 2 most popular sizes for fuel lines.

sizes: (5/16", 3/8")

V8 1008

8pc Pull Rod Kit (body work)

Introducing our new 8pc Pull Rod Kit:

- ◆ An economical and efficient tool to fix dents on car bodies.
- ◆ Just drill, pull, fill, sand and paint from outside the car body
- ◆ Hooks are made of rust resistant alloy steel.
- ◆ Heat treated for strength.
- ◆ Drill bits are not under warranty.

3001

Dual purpose radiator hose cutter.

This patented hose cutter makes quick clean cuts. It may be used as a portable tool, or as a bench mounted cutter with the addition of the 30010 mounting bracket. It cuts hoses of 2-1/2" larger (as well as small hoses). The cutter body is made of highly durable. It comes with lifetime warranty. The tungsten (or hard stainless) steel blade may be sharpened and is replaceable. The blade is not under warranty.

Patent # US 6,487,776 B2

30010

Mounting Bracket for the 3001

Easily mount the V8 3001 to the top of your workbench, becoming a stationary tool. Durable aluminum construction. Screws included.

30011

Replacement Tungsten Alloy or Hard Stainless Steel Blade for the V8 3001 Hose Cutter

8689

3pc Tubing Bending / Plier Set (patent pending)

By popular request, we put all three sizes in a strong canvas pouch and they are now available as a set.

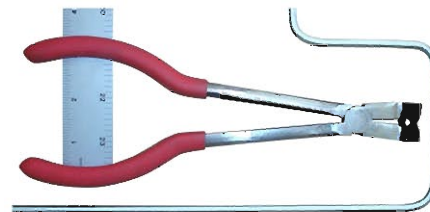

V8 tubing benders are among the 2010 Top 100 most requested new tools by the readers of the Professional Tool and Equipment News. They are also a favorite among mechanics, fabricators, and custom car builders at every tool show V8 has participated in.

806

3/16" Tubing Bending / Pliers (patent pending)

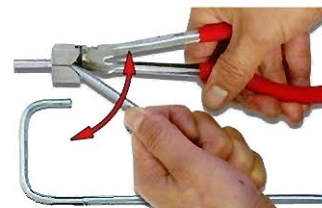

V8's tubing bending pliers make clean sharp bends, compound bends, and 90 degree bends close to fittings. Off or ON the vehicle. One of PTEN's top 100 most requested tools for 2010. Fits most brake lines on small cars.

808

1/4" Tubing Bending / Pliers (patent pending)

V8's tubing bending pliers make clean sharp bends, compound bends, and make fine adjustments close to fittings. Off or ON the vehicle. One of PTEN's top 100 most requested tools for 2010. Fits brake lines on large cars and pick-up trucks and some cooling and fuel lines.

809

5/16" Tubing Bending / Pliers (patent pending)

V8's tubing bending pliers make clean sharp bends, compound bends, and make fine adjustments close to fittings. Off or ON the vehicle. One of PTEN's top 100 most requested tools for 2010. Fits most cooling and fuel lines in cars and pick-up trucks.

909

Transmission Linkage Bushing Installer

For Mercedes-Benz with automatic transmissions, all years, some Ford models and others. This tool will easily and safely push tough nylon bushings into place. Works on different bushing sizes.

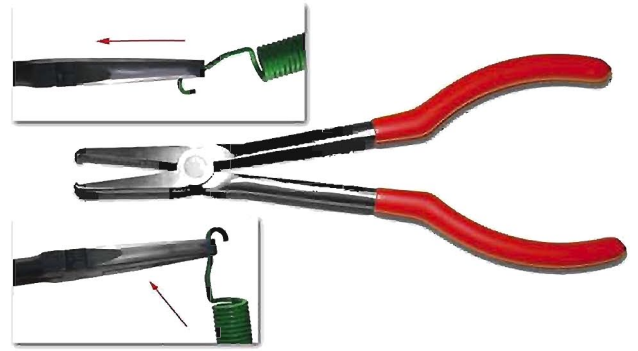

989

Brake Spring Pliers

Brake spring removal and installation is always a tough job. A widely used tool for this job happens to be a pair of end cutters. V8 has improved the tool by making it longer and with wider and stronger tips that can hold the spring better without leaving a deep cutting mark. These new "brake spring pliers" offer more grip and control, making brake jobs fast and easy.

"These pliers are also great for removing and installing brake "shoe" return springs, parking brake lever "C" clips. Great in bending and removing and installing bearing "nut lock" cotter pins. On worn out brake pads use the flat sides of the plier jaws to push-in caliper pistons to remove pads. Great for under hood work, old head lamp springs and auto door locking & unlocking hardware apparatus."

Thank you, Cyberphill for your great new uses for the V8-989!

Caution: When using our tools always remember to wear protective eyewear and gloves!

903

9-3/4" Crimper/Cutter, insulated

904

9-3/4" Crimper/Cutter, non-insulated

908

Adjustable Oil filter wrench

Manufacturer's note: Sale of this item will discontinue once our inventory has been exhausted.

max opening 3.625", 91mm

4205

5 Ton Straight Bar Puller Set

The V8 4205 is a 5-ton chrome plated straight bar puller set in a plastic carrying case. It is easy to use and has multiple applications.

This kit includes:

- 1_9" spread
- 2_cap screw jaws, 3" reach
- 2_wide jaws, 5" reach
- 2_narrow jaws, 5" reach
- 1_9-3/4" forcing screw
- 1_10" 2-way cross arm

4210

10 Ton Straight Bar Puller Set

The 4210 is V8's larger 10-ton puller set, versatile and strong. It includes 4 sets of jaws for different applications.

This kit includes:

- 1_10" spread
- 3_spring clips
- 2_cap screw jaws, 2-15/16" reach
- 2_double reach wide jaws
- 2_narrow jaws, 8" reach
- 2_extra narrow jaws w/8" reach (rated at 5 tons)
- 1_12" forcing screw
- 1_7" short forcing screw (comes in a plastic carrying case)
